MEMORANDUM FOR DIRECTOR, CENTRAL INTELLIGENCE AGENCY

SUBJECT: Designation of CIA Emergency Coordinator

The Administrator, General Services Administration, has asked me to respond to a memorandum from the Acting Director, Central Intelligence Agency, of 1 March 1977, in which we were advised that Mr. Vincent J. Heyman has been designated as the CIA Emergency Coordinator.

We are pleased to note that the Central Intelligence Agency plans to give added emphasis to crisis management and emergency planning and we look forward to working with your staff with the objective of improving our overall readiness posture.

My staff has communicated with Mr. Heyman and arranged to meet with him in the near future. We are confident that this relationship will be mutually beneficial.

LESLIE W. BRAY, JR.
